PET Policy – Responsibility by owners of a Pet

The Lookout Lodge is a "pet friendly" facility. We do, however, find it necessary to have a few rules for all pets and people to co-exist at our property. Please read them all carefully.

I/we _____ understand and agree to any and all rules set forth by **The Lookout Lodge** an LLC Property regarding our pet/pet's whom will be occupying a room with us while lodging at this property.

Here are some rules:

- Pets must be declared at check-in.
- In consideration of all guests, pets must be attended at all times. Pets should never be left alone in a room or automobile.
- Pets must be on a leash or properly carried outside guest rooms.
- Due to safety concerns for our employees and your pet, we will not clean a room with an unattended pet. Pet owners may be asked to vacate the property if their pet becomes a nuisance to other guests.
- Please be considerate of other guests when walking pets on the property and clean up after your pet.

I/we will not hold **The Lookout Lodge** an LLC property liable for any accidents or illness to our pet/pet's while in a Jacuzzi Room, a non-Jacuzzi Room or outside on this property.

I/we will be responsible for any damages caused by our pet/pets during our stay against **The Lookout Lodge** an LLC property. In any case we accept a charge of **\$100.00** (minimum charge) or if higher, the effective costs for the extra cleaning of the room rented or for the replacement or repair of the furniture.
